Preface
Elke Pahl-Weber, Bernd Kochendorfer, Lukas Born, Carsten Zehner

Introduction

Climate Change and Sustainable Transportation in Megacities
Wulf-Holger Arndt, Xiaoxu Bei, Gunter Emberger, Ulrich Fahl, Oliver Lah, Alexander Sohr, Jan Tomaschek

Challenges and Strategies for Sustainable Mobility in Five Megacities

Ho Chi Minh City, Vietnam-Can HCMC Reach its CO₂ Targets in the Transport Sector?
Gunter Emberger

Energy-efficient Transport Planning for Hyderabad, India
Tanja Schafer, Angela Jain

Tehran-Karaj, Hashtgerd-Integrated Urban and Transportation Planning for CHC Emission Reduction
Wulf-Holger Arndt, Norman Doge

Climate-protection Strategies for the Transport Sector of Gauteng Province, South Africa
Jan Tomaschek, Ulrich Fahl

Metrasys, Sustainable Mobility for Megacities-Traffic Management and Low-carbon Transport for Hefei, China
Oliver Lah, Alexander Sohr, Xiaoxu Bei, Kain Clensor, Hanna Hiiging, Miriam Muller
Outcomes

108 Mobility and Transportation Concepts for Sustainable Transportation in Future Megacities
Wulf-Holger Arndt, Xiaoxu Bei, Gunter Emberger, Ulrich Fahl, Angela Jain, Oliver Lah,
Alexander Sohr, Jan Tomaschek

Appendix

128 The Projects of the Programme on Future Megacities in Brief

142 Authors
