Introduction 1
Helle Neergaard and Claire M. Leitch

PART I  CONSTANT COMPARATIVE TECHNIQUE

An introduction to the constant comparative technique 15
Alistair R. Anderson and Sarah L. Jack

1 Using the constant comparative technique to consider network change and evolution 21
Sarah L. Jack, Alistair R. Anderson, Sarah Drakopoulou Dodd and Susan Moult

2 Using constant comparison as a method of analysis in entrepreneurship research 52
Susan M. Smith and Edward McKeever

3 Grounded theory analysis in entrepreneurship research 74
Anne Bollingtoft

The future for the constant comparative technique 95
Alistair R. Anderson and Sarah L. Jack

PART II  METAPHOR METHODOLOGIES

Metaphor methodologies: exploring entrepreneurship research, pedagogy and researchers 101
Sarah Drakopoulou Dodd and Alice de Koning

4 Enacting, experimenting and exploring metaphor methodologies in entrepreneurship 109
Sarah Drakopoulou Dodd and Alice de Koning
Con'text'ualizing images of enterprise: an examination of 'visual metaphors' used to represent entrepreneurship in textbooks

Robert Smith

Metaphors in communication of scholarly work

Cecilia Bjursell

Metaphor methodologies in entrepreneurship research

Sarah Drakopoulou Dodd and Alice de Koning

PART III CRITICAL INCIDENT TECHNIQUE

The critical incident technique: an overview

Claire M. Leitch

1 Researching the entrepreneurial process using the critical incident technique

Elizabeth Chell

The efficacy of the qualitative variant of the critical incident technique (CIT) in entrepreneurship research

Claire M. Leitch and Frances M. Hill

A critical incident technique approach to entrepreneurship research using phenomenological explicative data collection

Richard T. Harrison

Critical incident technique: some conclusions

Claire M. Leitch

PART IV FOCUS GROUPS

Provenance and use of focus groups

John Watson and Rick Newby

Conducting a traditional focus group

John Watson, Rick Newby, Helle Neergaard and Robert Smith

Conducting a focus group using group support system (GSS) software

Geoff Soutar, Rick Newby and John Watson
12 Conducting an on-line focus group
   Rick Newby and John Watson

Focus groups: what have we learned?
   John Watson and Rick Newby

PART V  REPERTORY GRID TECHNIQUE
